## Specifications

<b>Length</b>	7-1/4"
<b>Wire Stripper</b>	Up to 10ga

## Overview

The Milwaukee® FASTBACK II™ Flip Utility Knife features Press and Flip, a one handed blade opening for easy activation and activates the blade up to 3X faster than a 2-handed opening. This addition to the FASTBACK™ family features magnetic blade storage that holds one blade and folds into the knife body. A tool free blade change allows for fast and efficient adjustments, while a thin all metal body stands up to jobsite abuse. The wire form belt clip makes it easy for a user to store the knife without tearing up the pocket. The integrated gut hook and wire stripper also increase utility.
