

## LOCKING UTILITY CABINETS, TYPE 1

### INDUSTRY STANDARDS

UL 50, 50E Listed; Type 1; File Number E27567  
cUL Listed per CSA C22.2 No 40; Type 1; File Number E27567

NEMA/EEMAC Type 1  
IEC 60529, IP30

### APPLICATION

Key hook and shelf models of this cabinet protect fuses and other components and can be equipped with a combination lock for applications that require security.

#### SHELF MODELS A242412UC, A302412UC, A363012UC

Shelf cabinets provide a level of security for storage of equipment, fuses, and other components. Two shelves included with shelf models are easily adjusted without tools by placing tabs in slots located on enclosure sides.

#### KEY HOOK MODEL A12122UC

Use as a key cabinet or a hanging locker to organize items that require a level of security. Key hook model has integral hooks assembled in door and back of enclosure.

### FEATURES

- Four mounting keyholes in back of enclosure
- Removable door with reversible hinge; door can hinge from either left or right side and can be changed without tools
- Door has quarter-turn key lock; two keys included
- Combination lock is available as an accessory and is interchangeable with standard cutout and latch cam
- Retractable spring hinge
- No gasketing

### SPECIFICATIONS
