

Bore-Gard® – UL Listed/RUS Listed

Carlson Bore-Gard is designed and proven to meet the rigorous requirements of horizontal directional drilling for electrical and datacom applications. Its unique design incorporates a water-tight seal and locking ring that enables fast, cement-free assembly. Bore-Gard is strong enough for 1000 ft. bores and is available in convenient 10 and 20- foot lengths...ideal for tight spaces and easy to transport to the job-site.
