Catalog No. U010SEP

Description: 20A GFCI SURFACE UNMTRD

UPC No 784567302721

Home > Power Outlets > Power Outlets

At Midwest Electric, we call this our Most Useful Power Outlet because of its versatility. Use it to power landscape lighting and accessories, engine block heaters, outdoor battery charging, farm and ranch applications, and anything where a 20A ground-fault protected receptacle would come in handy.

Descriptors
