PACKOUT™ Compact Low-Profile Organizer

Our PACKOUT™ modular storage system is the industry's most durable and versatile storage system. The PACKOUT™ compact low-profile organizer is constructed with impact resistant materials so it can withstand harsh jobsite environments. An IP65 rated weather seal protects your tools, accessories, and small parts from rain and other jobsite debris. The small and shallow organizer's interior features 5 removable storage bins that with removable dividers. The transparent lid of the organizer seals the bins to prevent contents from migrating and shifting during transport. Heavy-duty latches and reinforced hinges ensure that the slim and compact organizer keeps the contents contained and protected. Our PACKOUT™ modular storage allows you to customize and build your own storage system to easily transport and organize your tools and accessories.
