

SUPERtrol-II (ST2) Flow Computer

Example	ST2	L	1	0	P	TU	Price
Series: _____							
ST2 = Flow Computer							\$ 1076.00
Display Type: _____							
L= LCD							
V= VFD							add \$ 105.00
Input Type: _____							
1= 85 to 276 VAC							
3= 24 VDC							
Network Card: _____							
0= None							
1= RS485/Modbus							add \$ 211.00
Mounting: _____							
P= Panel Mount							
*N= NEMA 4 Wall Mount (see MS811)							add \$ 188.00
*W= NEMA 12/13 Wall Mount w/ Clear Cover							add \$ 210.00
*E= Explosion Proof (No Button Access)							see XHVD
*X= Explosion Proof (with Button Access)							see Xtrol 7/4
Options: _____							
1 = Peak Demand							add \$ 55.00
2 = AGA NX-19 calculation for natural gas							add \$ 55.00
3 = Three Relays							add \$ 55.00
4 = Stacked DP option							add \$ 55.00
5 = Datalogger option (consult factory)							add \$158.00
6 = Stack Emissions Controller option							add \$ 55.00
7 = Manifold Flowmeter Controller option							add \$ 55.00
9 = 3 Relay Super Chip (options 1, 2, 4, 6, 7)							add \$ 55.00
10 = 2 Relay Super Chip (options 1, 2, 4, 6, 7)							add \$ 55.00
13 = Superchip; 2 relay, Positive heat only							add \$ 55.00
14 = Superchip; 3 relay, Positive heat only							add \$ 55.00
22 = Superchip; 2 relay, For use with 4 terminal							add \$ 55.00
multi-variable vortex meters							
26 = Superchip; 3 relay, For use with 4 terminal							add \$ 55.00
multi-variable vortex meters							
TM = Trap monitor RS485 network card							add \$ 211.00
IM = Internal Modem							add \$ 210.00
IM-56K = 56K Internal Secure Modem							add \$ 442.00
M = Modem Power Option							add \$26.00
ET= Extended Temperature LCD Display							add \$26.00
TB= RS485 Terminal Block for Panel Mount Enclosure							add \$26.00
TU = Translation Utility Disk							add \$ 105.00

Accessories:

ST2 SETUP PRO - Advanced setup software for ST2 family	\$500
KEPS-KEP1-32	\$395
KEP RS232 for SUPERtrol 1, SUPERtrol 1LE, SUPERtrol 2 and LEVELtrol 2 • 32 Bit DDE Server	
KEPS-MBS32	\$795
Supports RS485 for ST1, ST1LE, ST2, LT2, MRT, DRT & MB2 (Modbus RTU)	
Modem Available, see MPP-56KN, MPP-2400 and MPP-2400N	
Serial printer available, see P1000, P295	
Ethernet Port Server available, see IEPS	
RS-422/485 to RS-232 Communication Adaptor available, see CA285	
RS232 Extender Cable: P/N=13220- <length in inches>	\$37
Remote metering and data collection software available, see TROLINK	
RoHS Compliant planned	

TR545 Ratemeter/Totalizer*

Example:	TR545.012	0	00	Price
Series: _____				\$275.00
TR-545 = Totalizer & Ratemeter				
Operating Voltage: _____				
0 = 90 to 260 VAC				
3 = 10 to 30 VDC				
Options: _____				
00= None				
Accessories				
NEMA4 wall mount enclosure available see LCN4X & MS821				
Explosion proof enclosure available see XHV				
RoHS Compliant				

TROLINK Communication Software*

TROLINK	\$3150.00*
Remote metering and data collection software for SUPERtrol I, SUPERtrol II, ES-747, LEVELtrol II, MASSTROL, DPFC	

TROLINK Jr. Communication Software*

TrolLink-Jr-1 = Data collection from 1 unit	\$150.00*
TrolLink-Jr-5 = Data collection from 1 to 5 units	\$630.00*
TrolLink-Jr-15 = Data collection from 1 to 15 units	\$1575.00*

Remote metering and data collection software for SUPERtrol I, SUPERtrol II, ES-747, LEVELtrol II, MASSTROL, DPFC

TWP Two Way Pager

EXAMPLE	TWP	N	W	6ST2	Price
THIS PRODUCT LINE HAS BEEN DISCONTINUED					

TWTB /& TWSTB Thumbwheel Switches

EXAMPLE:	TWTB	4	0	MP
Series: _____				
TWTB: Moisture sealed				
TWSTB				
Number of Digits _____				
1 through 10				
Blank	To order blanks: state the # of digits before, "X" (blank), then the # of digits after. EX: TWTB 2X2 0 is a thumbwheel with 2 digits, a blank, 2 more digits & polarity 0			
Decimal	To order decimals: state the # of digits before, "." (decimal), then the # of digits after. EX: TWTB 2.2 0 is a thumbwheel with 2 digits, a decimal, 2 more digits & polarity 0			
Polarity _____				
0, 1, 2				
Standard Mounting _____				
MP-Mounting Panel				

PRICING:

TWTB	2 Digit w/MP	\$115.00
	each extra digit	\$30.00
	each blank	\$9.00
	each decimal Pt.	\$9.00
TWSTB	2 Digit w/MP	\$79.00
	each extra digit	\$20.00
	each blank	\$9.00
	each decimal Pt.	\$9.00
