Cable Splicer's Knife and Electrician's Scissors

Our Cable Splicer's Knife and Electrician's Scissors are designed for cutting cable, telephone wire and stripping insulation. The knife offers a special-purpose short blade with comfortable, full-sized handle. Its coping-type blade is made of the finest cutlery steel, tough and carefully tempered to hold its edge. Our scissors have an upper blade with two stripping notches that will strip most insulations from 19-24 AWG. 1-year warranty.
