40 Piece Screw Driving Bit Set 48-32-1505

Photos

The Milwaukee Advantage

This set offers a variety of driver bits for everyday use as well as rare applications. Made of premium grade S2 tool steel, these bits are heavy duty, designed for hard use. With magnetic nut drivers in the most popular sizes, those hard to reach areas are a thing of the past. This kit also includes Torx® bits in common sizes for automotive, appliance, and electronics applications.

Features

Premium Grade S2 Tool Steel - durable composition for longer bit life

Magnetic Nut Drivers - most popular sizes for common applications

Torx® Bits - great for service technicians
