The Emerson Pro Series fan incorporates contractor requested "Quik Install" features to make installing your ceiling fan a snap. The easy to align Precision-Lock™ blade arms and easy install mounting bracket make this fan easier and faster than ever to install.

FEATURES:

- 50" blade span with 12° pitch
- Light fixture uses three 60-watt candelabra bulbs (bulbs not included)
- Precision-Lock™ blade arms with pre-attached screws for quick and easy alignment of blades
- Removable light fixture can be replaced with switch cover if desired (included)
- Easy install mounting bracket
- Dual mounting for close to the ceiling or downrod installation
- 4.5" downrod included
