

Kwik Change™ Carbide-Tipped Hole Cutters

- Kwik Change™ arbor allows you to change cutter heads with a simple push and a turn. Allowing the same arbor to be used with different size cutting heads.
- Removable cutter head available in sizes from 5/8" through 3".
- Ejector Spring available on all sizes above 3/4" makes removal of slug easier.
- Two different Kwik Change™ kits available. Kits include cutter heads, arbor and hex key.
