

FEATURES & SPECIFICATIONS

INTENDED USE — For pendant-mounting the following Lithonia Lighting exit signs: Signature® LE standard or emergency; Precise® LRP with TM option only; Quantum® standard or emergency; Titan® LED; Chicago LXC exit standard or emergency; EDG Edgelit (surface mount only), EDGNY Edgelit (surface mount only) extruded aluminum LED exit signs.

CONSTRUCTION — 12" brushed aluminum stem (standard); 1/2" OD with 1/4-18 HPS thread count. Other lengths available. ELA LQMUS12 only available in select inches and not more than 48" in length.

Extruded aluminum mounting canopy.

Swivel assembly on stem adjusts for installation on sloped ceilings (up to 90°). Swivel not available for ELA LQMUS12.

INSTALLATION — Canopy installs onto J-box with provided hardware. Stem installs into canopy and on top of exit housing.

Note: Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.
