Technical Specifications

Compliance

UL Listed:
Suitable for wet locations. Suitable for mounting within 4ft (1.2m) of the ground. Can be aimed above horizontal with accessory hood or visor.

Electrical

Sockets:
Porcelain with all copper current carrying components

Other

Compatibility with old H100:
H101 floods and accessories replace the discontinued RAB H100 and accessories. Parts are not interchangeable. Contact factory for price and availability of the old H100 Series.

Buy American Act Compliance:
RAB values USA manufacturing! Upon request, RAB may be able to manufacture this product to be compliant with the Buy American Act (BAA). Please contact customer service to request a quote for the product to be made BAA compliant.

Construction

Swivels:
Fully adjustable with sure-grip locks. 1/2" NPS threaded arm with serrated locking swivel fits all standard mounting covers. Color matched EZ Grip lock nuts.

Housings:
Die-cast aluminum with powder coat finish

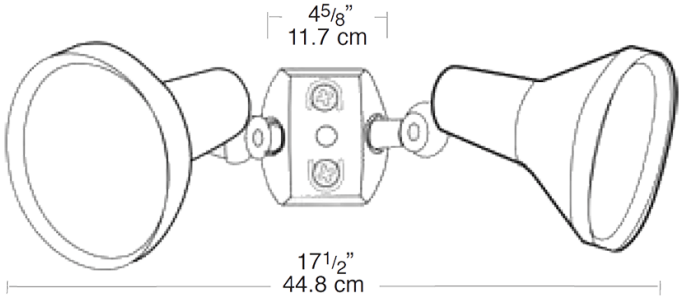

Gaskets:
High-temperature silicone rubber extends around both socket and lamp

Optical

Lamps:
Medium base Par-38 lamps up to 150W. Halogen lamps give brighter light and choice of beam spreads.
