GOLD SERIES DESK CONSOLE, TYPE 12

APPLICATION

The ProLine Gold Series Desk Console provides an ideal surface for mounting HMI controls such as keyboards, switches, lights or dials, and it is ergonomically designed so operators can sit or stand while working. The console can be configured in an arc by using the wedge accessory.

SPECIFICATIONS

- 14 gauge steel body
- 14 and 16 gauge steel doors
- 25-degree sloped top
- Seams continuously welded and ground smooth
- Top door prop allows for single-handed operation
- Built-in top door handle
- Quarter-turn latches hold top door securely closed
- ProLine latching system and keylocking swing handles on front doors and on rear doors of dual-access enclosures
- Internal rails on dual-access enclosures facilitate mounting of ProLine internal components
- Full access provides maximum mounting space and easy access to interior components

FINISH

Finish is RAL 7035 textured light-gray polyester powder paint.

CASTER KIT

A set of four casters (two locking, two non-locking) that mount directly to the bottom of a ProLine frame, 0-mm or 100-mm Solid Base or a Console. **(Do not use on plinth bases.)** Casters elevate the enclosure 110 mm (4.33) when installed. Caster frames are plated steel with ball-bearing pivots. Caster wheels are made of a black polyamide material. Kit includes M12 mounting hardware.

Casters Maximum Load: 1000 lb. (453 kg)
NOTE: Casters are designed for moving the cabinet short distances within the building interior space. They are not intended for

transportation or shipping. When transporting the cabinet by carrier, the shipping pallet must extend to the frame of the cabinet and at no time should the caster support any load during the shipping process. Casters must have smooth, flat, hard surfaces to move upon. Floors with cracks, seams, debris, inclines, and declines are to be avoided. Great care must always be observed when moving cabinets to avoid tipping. Casters are not designed for exterior surfaces, asphalt, gravel, and other soft surfaces. Contact nVent HOFFMAN for additional details.
