

Fluke I20A/200A Clamp PQ3

Overview:

The 20A/200A 3-Phase Current Clamp Set (the Clamp) has been designed for applications with Fluke 1735 and Fluke 1740 series products for accurate non-intrusive measurement of ac currents. Using latest technologies (integrated memory for calibration data) provides current ranges from 0.5 A up to 200 A in a frequency range of 40 Hz to 5 kHz.

Features:

Brand Name Fluke
Type Clamp
Application 3-Phase I20/200A
Model I20/200A-CLAMP-PQ3
Voltage Rating 600 V ac rms or dc
Length 20.80 IN
Color Black

Model Name	Description
