Videos

The Milwaukee Advantage

Powered by the M18 LITHIUM-ION battery, the M18™ Cordless LED Work Light has over 600X the life of conventional incandescent bulbs and runs up to 4X as long. With a sealed aluminum head to provide impact and weather resistance, Milwaukee® provides a limited lifetime LED warranty. An integrated hook allows hands-free use while a 135 degree rotating head allows the user to easily point the light beam at the desired work area.

Features

- Sealed, Aluminum Head – Impact and weather resistant
- 160 Lumen LED – Bright, white, smooth beam
- 4X Run-Time – Lasts up to 12 Hours on one charge
- Integrated Hook – Hands-free use
- 135° Rotating Head – Aims light at work space
