Holophane is proud to introduce a breakthrough new product for the Architectural Outdoor Product Category, the **GranVille Premier**! Building on the original "GranVille Classic" and its reputation for quality, performance, durability and timeless historical aesthetics, Holophane takes it to the next level with **state-of-the-art optical innovation**.

- Precision Optical Control with New Glass Optic
- Lunar Optics® High Performance cutoff optics option
- Easy Installation and Maintenance with New "Swing-Open" Door
- Re-Lamp without Removing Glass
