PACKOUT™ Crate

PACKOUT™ Crate is part of the industry's most versatile and durable modular storage system. The tool crate is made from impact resistant polymers to withstand drops and harsh job site conditions. Our PACKOUT™ Crate delivers 50 lbs of weight capacity and is compatible with all Milwaukee PACKOUT™ modular storage. The Crate tool box can be seamlessly integrated into into a PACKOUT™ stack or hung from a wall for storage when used with the PACKOUT™ Mounting Plate. Our PACKOUT™ Modular Storage System allows you to customize and build your own storage system to easily transport and organize your tools and accessories
